## FEATURES

- ✓ Small seed pips
- ✓ High brix
- ✓ Great flavor
- ✓ Excellent yielder

**Disclaimer:** All variety information is based on field and laboratory observations. Data presented is believed to be accurate at the time this information sheet was prepared. However, accuracy of these results, when grown in any other time period, location, weather conditions or cultural systems may vary substantially and is, therefore, not guaranteed. Your ultimate guide to performance of a variety should be repeated trials over a period of growing seasons, on your soil and under your cultural and climatic conditions. Do not rush any productions unless and until you have tested the variety to your satisfaction.
